

**Resolution to Endorse Hillary Clinton as Democratic Nominee
For President of the United States**

Whereas the National Federation of Democratic Women encourages and supports women's involvement in the political process and has worked for 45 years to elect women of substance to elective office,

Whereas, this is an "herstoric" year for the Democratic Party and the nation as we move toward the Democratic National Convention's official endorsement of the first woman candidate for President of the United States,

Whereas, we recognize she has emerged from a field of well-qualified candidates of whom we can be extremely proud,

Whereas, Hillary Clinton has adjudicated herself with professionalism and commitment to this country and the world as a United States Senator and Secretary of State,

Whereas, Hillary Clinton has comported herself with honor and dignity as First Lady,

Whereas, she represents the hope for our country continuing to be the leader of the free world,

Therefore Be It Resolved that, pending the results of the District of Columbia primary on June 14, 2016, the National Federation of Democratic Women most heartedly endorses and supports Hillary Clinton as the official nominee of the Democratic Party and the next President of the United States of America.

Submitted by National Federation of Democratic Women at 2016 Convention in Charleston, South Carolina on June 11, 2016.
